

# STUDENTS RETURN FROM WASHINGTON, D.C.

The NRECA Youth Tour is an all-expenses-paid leadership travel opportunity for high school sophomores sponsored by Wisconsin's electric cooperatives. From the Arlington National Cemetery, to the halls of Congress in Washington, D.C., Youth Tour students explored the leadership lessons of our nation's history and followed in the cooperative spirit. This

year, Bayfield Electric sponsored Alpha Korpela from Marengo. She joined 1,887 other student delegates in this once-in-a-lifetime experience.

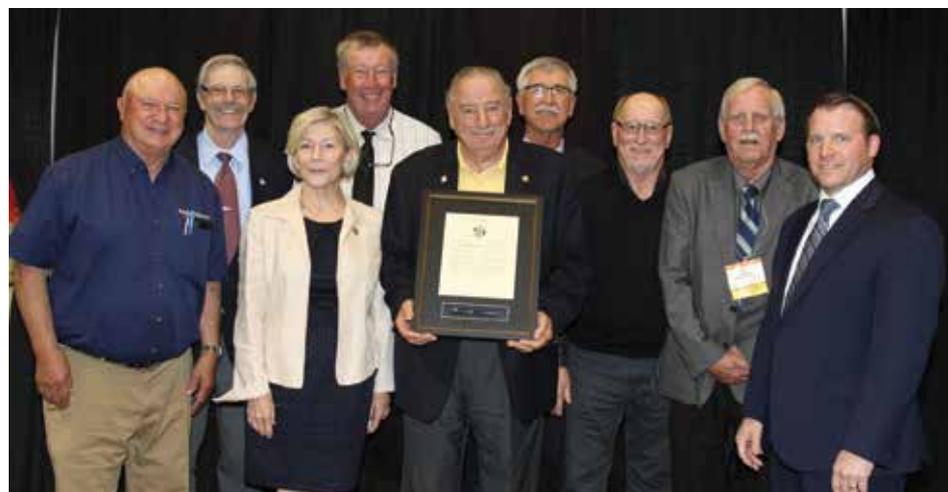

*I wanted to say thank you for everything you have done for me. Thank you for sending me to Washington D.C. to learn more about our nation's history and how cooperatives work. I had so much fun on this trip - it was truly an experience of a lifetime. We got to meet with our state's representatives, Sean Duffy, Tammy Baldwin, and Ron Kind, and we discussed with them about issues such as gun control, relations with North Korea, and student loan programs. I learned a lot on this trip and I made new friendships that will last a lifetime! So once again, I thank you for everything you have done for me.*

Alpha Korpela

MY CO-

Dairyland Power Cooperative presented the Bayfield Electric Cooperative Board of Directors with a plaque of Act 292/the Town of Cable TIF and a pen used by Gov. Walker to sign the legislation into law. Board President Bob Kretschmar (center), accepted the plaque on behalf of Bayfield Electric and thanked Senator Janet Bewley, calling her "instrumental" in passing this economic development tool that could assist in the reopening of the Telemark Lodge.

## LINEMEN RESTORE POWER AFTER FLASH FLOODS

If you were in Wisconsin in June, these photos might look familiar. Major flooding caused a state of emergency for five counties—Ashland, Bayfield, Burnett, Douglas, and Iron. Roads were collapsed, culverts were washed out, and of course, the power went out. Wind and lightning knocked down many trees in our service territory, and high waters made some roads unpassable. We had crews out day and night working diligently to get power restored.

Members were thankful when their

power was restored, and they let us know!

Casey Edwards called and said he was very grateful for all of the hard work the linemen did. He said he knows it must be tough working in dangerous conditions while getting soaking wet, but the linemen were still polite and got the power back on.

Donna Schroeder wrote in to say, “We would like to say a huge Thank You!! To all of you at Bayfield Electric who worked so diligently to restore power after the Father’s Day storm

passed through. When we called the emergency number over the weekend we were greeted with regular updates; it was reassuring to know that people were working on the problem. When we called during the week we were greeted with friendly, helpful people who took an interest and gave us information. Finally, we were without power for only two days, thanks to your crews who must have given up their Father’s Day celebrations with their families to restore electricity to your customers.

Thank You!! To all of you!!!”

## BUSINESS OF THE MONTH NORTHERN PINES GOLF COURSE AND EVENT CENTER

In 1998, the Landgreen family followed their dream and turned 120 acres of their farm into a golf course. The initial course was a beautiful, scenic par 37, and had a small corner of the maintenance shed that served as a clubhouse. In 2005, Northern Pines was converted to a par 36 course and a log-sided clubhouse was built on the hill overlooking the golf course. The clubhouse comes with all the

amenities—full bar, short-order kitchen, golf clubs, and cart for rent. Business was doing well with golf and parties in the clubhouse. In 2011 Deb and Tim’s daughter Danielle announced her engagement with a huge guest list, so the banquet area was

Bayfield Electric sponsored a hole in the Golf Against Cancer Tournament, and employees also played in teams. Above right (l-r) are Elliot Powers, Satrina Nikula, Briana Green, and Paige Gilbertson. Below right (l-r) are Blake Reijo, Katie Kavajecz, and Keith Kavajecz. Not pictured is Zach Hipsher. Below (l-r) are Cathy Johnson, Bill Johnson, Troy Guderian, and Alex Handler.

reconstructed. It comes complete with an outdoor wedding area, pergola, rose and flower garden. They call themselves a dual-purpose facility. You can have your event and go golfing at the same time. Find prices and make reservations at [www.northernpineseventcenter.com](http://www.northernpineseventcenter.com).

Northern Pines will be hosting their first sled dog race February 16, 2019, for the Iron River Chamber.

Bayfield Electric had the pleasure to experience the Northern Pines Golf Course’s beautiful 9-hole, 3,045-yard, par 36 course at the recent Golf Against Cancer Tournament. The Green Dreamers seventh Annual ‘Golf against Cancer Tournament’ was held to raise money for those fighting cancer in our local community. The tournament has raised over \$28,000 and has helped over 80 individuals since the first year. Join us next year for some fresh air and a fun time!

If you know of a business on Bayfield Electric’s power that you would like to see featured, please call Marissa at (715) 372-4287 or email [marissa.halvorson@bayfieldelectric.com](mailto:marissa.halvorson@bayfieldelectric.com).

MY CO-OP

**Safety First** Safety is our number-one priority, so each month we have safety meetings to review safety tips and learn about new ones. We also practice pole-top rescue annually. Each lineman has to conduct a rescue on a 170-pound dummy hanging from the top of a power pole. Our linemen did great and will be prepared for any emergency situation they may run into.

**Thank you** We appreciate it when members take the time to express their thanks for the work our linemen do! Dennis Jurmu from Kimball called to say our linemen did an excellent job cutting trees on his property.

The following lots are for sale. Inquire at Bayfield Electric for more information and ask for Larry Roecker.

**Iron River, WI** – Lot #1 is 2.24 acres zoned commercial on District Street. Lot #3 is 2.81 acres zoned commercial on District Street.

**Cable, WI** – Wild River development in Tanglewood Addition South Silver Birch Drive, Lots #16 and #17, \$8,000 each. Electric power at street.

## It's Fair Time!

Don't miss the fun at the 2018 county fair!

**Ashland:** August 16–19  
**Bayfield:** August 9–12  
**Iron:** August 2–5

## Month of August

Billing date: August 10, 2018  
July usage  
Bills due upon receipt  
Gross due after August 30, 2018  
Disconnect date:  
September 15, 2018

## 7th Annual ART CRAWL

Friday, August 10 • 10 a.m.–5 p.m.  
Saturday, August 11 • 10 a.m.–5 p.m.  
Sunday, August 12 • 11 a.m.–3 p.m.

### Over 50 Artists at 21 Sites

Take the Studio Art Tour through Stone Lake, Springbrook, Hayward, Cable, and Drummond, Wisconsin
