

BEC helps celebrate Summerfest

The Iron River Summerfest took place June 9 and 10. The small town was busy with town-wide garage sales, the Spider Lake Run, the Iron River Firemen's Benefit Dance, and sunny weather!

The annual Spider Lake Run was held Saturday, June 10, with the option of participating in the 10K, 5K, or two-mile walk/run. Bayfield Electric sponsored the run, and the girls participated! Join us next year for some fresh air and exercise!

REMINDER: SUMMER LOAD MANAGEMENT SEASON BEGINS!

This is a reminder that the Summer Load Management season is in full swing. The season began May 1 and extends through October 31. Please take a few minutes to view the table for a summary of control and restoral times for all control strategies (Full Load Control, Economic Control, Daily Energy Storage) and load classes.

The Summer Full Load Control strategy targets the months of June, July, and August. The Summer Full Load Control hours have been shifted by one hour as compared to the 2016 summer season.

If you have any questions or concerns, you can contact us at 715-372-4287 and ask for Larry.

BUDGET BILLING MAKES YOUR LIFE EASIER

Tired of your electric bill going up and down like a yo-yo? Join Budget Billing and make your bills more predictable and easier to budget from month to month.

Benefits of Budget Billing:

- Budget Billing levels out the seasonal fluctuations over the year.
- Payments are based on an average of your previous year's usage. (The budget amounts shall be reviewed periodically and if necessary changed based on current circumstances.)
- Reconciliation occurs in July (12th month) to determine if we overestimated or underestimated your usage.
- You can sign up for Budget Billing at any time.

Please call our billing department, 715-372-4287, if you would like more information on Budget Billing.

We also offer SmartHub, a convenient, automatic, online bill-paying system. To learn more visit www.bayfieldelectric.com.

Fireworks Safety

Light up the night. And, stay safe.

Whether you like to light a sparkler or two or plan the most eye-catching display in your neighborhood, here are a few quick tips to keep in mind before you start the show.

Keep it legal.

The majority of injuries sustained from fireworks result from illegal fireworks. Buy only legal fireworks. Looking for a quick way to tell what's legal? Avoid fireworks packaged in brown paper. (That's usually an indication that those particular fireworks were made for professional displays and not intended for consumers.)

Keep water close.

Always have a bucket of water nearby in case of an emergency. As an extra precaution, douse burned fireworks with water before discarding them in the trash.

Keep away.

Once you've lit the fuse, back up immediately and maintain a safe distance. What if one of your fireworks doesn't do what it's supposed to do? Douse it with water. Do not attempt to retrieve or reignite a fireworks device that did not light properly.

Our office will be closed Tuesday, July 4,
in observance of the Fourth of July holiday.
Have a safe and happy holiday.

The Blueberry Festival will take place July 20–23, 2017. at Moon Lake Park in Iron River, Wisconsin.

The Blueberry Festival kicks off with a talent show Thursday night. The fun continues on Saturday with rides, games, food, contests, music, and of course, blueberries! The Blueberry Princess and Queen will be crowned Saturday evening. Sunday begins with a polka mass at Moon Lake followed by a huge parade through town. Come out and enjoy the weekend!

PLANNING A NEW BUILD?

If you're planning to build a house, shed, or livestock facility and need electric service installed, please contact Bayfield Electric Cooperative to schedule an appointment to discuss your electric service needs. We can also help you with heating and cooling options, water heating, and Energy Star rebates for residential, business, and agricultural. Give us a call today!
